

Family Membership

Family membership entitles a reduction of half of the international dues to the second family member and up to three further additional family members. This will automatically be accounted for on the International Dues invoice. It does not apply to MD Dues nor does it apply to District Dues.

To qualify for family membership, the members should:

- Belong to the same club
- Live in the same household
- Be related by birth, marriage and other legal means - such as parents, children, spouses, aunts, uncles, cousins, grandparents, in-laws and legal dependents.

To be enrolled as members on the Family Membership Programme, your Club Secretary must complete the Family Unit Certification Form on-line in the membership section of MyLCI.

Payment of dues:

- All Family Members pay the one-off \$35 joining fee.
- The "Head of the Family Unit" pays full dues, the second and subsequent members of the family unit pay half of the dues amount.

The family unit receives just one copy of the Lion Magazine.
