We Serve

**Welcome to the East Sussex National Hotel
To celebrate 105 SE's '50 plus 1' Anniversary Celebrations**

On behalf of Susie and myself, and the Convention Team, a very warm welcome to you all on the occasion of our '50 plus 1' celebrations here in the heart of Sussex.

It is hard to believe that it is only a few weeks ago when we, like all of you, were questioning whether it would take place and, yet, here we are with a full programme in store for you all.

For those of you who are coming to the Host Night we do hope you enjoyed the unique 'Jive Aces'. Convention takes place on Saturday followed by the Banquet and Ball in the evening. For those attending that function you are all cordially invited to join us in the National Suite Reception for a Pre-Dinner Drink from 6.30 – 7.30 pm.

We do hope you will find some benefit from your time at Convention and will find it informative, stimulating as well as enjoying the fun and laughter we all enjoy by being members of SE.
